FIRM CAPITAL MORTGAGE INVESTMENT CORPORATION ANNOUNCES Q1/2018 RESULTS

May 8, 2018, TORONTO, CANADA – Firm Capital Mortgage Investment Corporation (the “Corporation”) (TSX FC) released its financial statements for the three ended March 31, 2018.

Q1/2018 HIGHLIGHTS

- Profit of \$6.43 million exceeded dividends for the quarter by \$328,251
- Interest and fees increased by 32% compared to the same period in 2017;
- Weighted average portfolio interest increased by 14 basis points to 8.23% from December 31, 2017;
- Cash flow from operations for the period increased 27% compared to the same period in 2017; and
- Profit represents an annualized return on shareholders’ equity of 9.04%.

PROFIT

For the three month period ended March 31, 2018, income and profit (referred to herein as “Profit”) was \$6,434,989 compared to \$7,026,716 reported at March 31, 2017. Special income earned in the first quarter of 2017 was unusually high as a result of the recognition of \$2,737,500 of special income earned on one of the Corporation’s non-conventional investments.

Basic weighted average profit per share for the three months ended March 31, 2018, was \$0.247, which is lower than the \$0.311 per share reported for the three months ended March 31, 2017.

PORTFOLIO

The Corporation’s investment portfolio (the “Investment Portfolio”), as at March 31, 2018, stood at \$546.2 million as compared to \$555.8 million as at December 31, 2017 (net of the impairment provision of \$6.00 million and \$5.70 million, respectively).

RETURN ON EQUITY

The Corporation continues to exceed its yield objective of producing a return on shareholders’ equity in excess of 400 basis points over the average one year Government of Canada Treasury bill yield. Profit for the quarter ended March 31, 2018 represents an annualized return on shareholders’ equity (based on the average of the month end shareholders’ equity in the quarter) of 9.04%, representing a return on shareholders’ equity of 744 basis points per annum over the average one year Government of Canada Treasury bill yield of 1.60%.

PRUDENT IMPAIRMENT PROVISION

Management has always taken a proactive approach to loan impairment provision. This is a prudent approach to protecting the stability of dividends to shareholders in the event there are any future issues with any of the investments within the Corporation’s investment portfolio. The impairment provision was increased by \$300,000 during the first quarter of 2018 to \$6,000,000 and represents 1% of Corporation’s assets.

FORWARD-LOOKING STATEMENTS

This news release contains forward-looking statements within the meaning of applicable securities laws including, among others, statements concerning our objectives, our strategies to achieve those objectives, our performance, our mortgage portfolio and our dividends, as well as statements with respect to management's beliefs, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance, or expectations that are not historical facts. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "outlook", "objective", "may", "will", "expect", "intent", "estimate", "anticipate", "believe", "should", "plans", or "continue", or similar expressions suggesting future outcomes or events. Such forward-looking statements reflect management's current beliefs and are based on information currently available to management.

These statements are not guarantees of future performance and are based on our estimates and assumptions that are subject to risks and uncertainties, including those described in our Annual Information Form under "Risk Factors" (a copy of which can be obtained at www.sedar.com), which could cause our actual results and performance to differ materially from the forward-looking statements contained in this circular. Those risks and uncertainties include, among others, risks associated with mortgage lending, dependence on the Corporation's mic manager and mortgage banker, competition for mortgage lending, real estate values, interest rate fluctuations, environmental matters, Shareholder liability, and the introduction of new tax rules. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking information include, among others, that the Corporation is able to invest in mortgages at rates consistent with rates historically achieved; adequate mortgage investment opportunities are presented to the Corporation; and adequate bank indebtedness and bank loans are available to the Corporation. Although the forward-looking information continued in this new release is based upon what management believes are reasonable assumptions, there can be no assurance that actual results and performance will be consistent with these forward-looking statements.

All forward-looking statements in this news release are qualified by these cautionary statements. Except as required by applicable law, the Corporation undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
