#### RETURN ON EQUITY

The Corporation continues to exceed its yield objective of producing a return on shareholders’ equity in excess of 400 basis points over the average one year Government of Canada Treasury bill yield. Profit for the three months ended March 31, 2019 represents an annualized return on shareholders’ equity (based on the average of the month end shareholders’ equity in the quarter) of 8.97%, representing a return on shareholders’ equity of 727 basis points per annum over the average one year Government of Canada Treasury bill yield of 1.70%.

### **COMPLETION OF AN EQUITY OFFERING**

On March 1, 2019, the Corporation completed an equity offering of 1,520,000 common shares at a price of \$13.20 per share for gross proceeds of \$20,064,000. The over-allotment option was exercised in full and the Corporation issued an additional 228,000 shares at a price of \$13.20 per share for gross proceeds of \$3,009,600. The total shares issued was 1,748,000.

### **REDEMPTION**

On March 29, 2019, the Corporation completed the redemption of its 5.25% convertible unsecured subordinated debentures. It was a cash redemption of the aggregate principal amount of \$20,485,000 and all accrued interest to the time of Redemption Date.

### **PRUDENT IMPAIRMENT ALLOWANCE**

Management has always taken a proactive approach to loan impairment allowance. This is a prudent approach to protecting the stability of dividends to shareholders in the event there are any future issues with any of the investments within the Corporation's investment portfolio. The impairment allowance as at December 31, 2018 stood at \$4,950,000 and represents approximately 1% of the Corporation's investment portfolio.

### **DIVIDEND AND SHARE PURCHASE PLAN**

The Corporation has in place a Dividend Reinvestment Plan (DRIP) and Share Purchase Plan that is available to its Shareholders. The DRIP allows participants to have their monthly cash dividends reinvested in additional shares. The Price paid per share is 97% (if the share price is higher than \$14.10) of the weighted average trading price calculated five trading days immediately preceding each dividend date with no commission cost. Once registered with the Share Purchase Plan, participants have the right to purchase additional shares, totaling no greater than \$12,000 per year and no less than \$250 per month. Shareholders participating pay no commission.

### **ABOUT THE CORPORATION**

#### ***Where Mortgage Deals Get Done®***

The Corporation, through its mortgage banker, Firm Capital Corporation, is a non-bank lender providing residential and commercial short-term bridge and conventional real estate financing, including construction, mezzanine, and equity investments.
