OUR **CORE** PRINCIPLES

TRUST

Our partners, investors and clients can trust FirmCapital to execute on our commitment.

INNOVATION

Firm Capital brings an innovative approach to structuring a transaction.

RELATIONSHIPS

Firm Capital builds strong, long term relationships with its partners, investors and clients.

Firm Capital is a real estate private equity investment firm and alternative investment manager based in Toronto, Canada. Since 1988, Firm Capital has focused on deploying proprietary and managed capital opportunistically between debt and equity investments in the private and public real estate markets. The organization has established an exceptional track record of successfully lending, financing, owning, investing, joint venturing and managing real estate all across Canada and parts of the US. Firm Capital focuses on a simple culture and goal: to be a client driven organization with impeccable integrity focused on preservation of capital through disciplined tactical investing at the same time as building long term relationships.

Disclaimer

This presentation is for informational purposes only and not intended to solicit Firm Capital Property Trust (“**FCD**”, “**FCPT**” or the “**Trust**”). This presentation may not provide full disclosure of all material facts relating to the securities offered. Investors should read the most recent Annual Report and Quarterly Financial Statements and Management Discussion & Analysis for disclosure of those facts, especially risk factors relating to the securities offered, before making an investment decision. A final base shelf prospectus containing important information relating to the securities described in this presentation has been filed with the securities regulatory authorities in each of the provinces of Canada, other than Quebec.

This presentation contains forward-looking statements within the meaning of applicable securities laws. These statements include, but are not limited to, statements made in this presentation, and other statements concerning the FCA’s objectives, its strategies to achieve those objectives, as well as statements with respect to management’s beliefs, plans, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations that are not historical facts. Forward-looking statements generally can be identified by the use of forward-looking terminology such as “outlook”, “objective”, “may”, “will”, “would”, “expect”, “intend”, “estimate”, “anticipate”, “believe”, “should”, “plan”, “continue”, or similar expressions suggesting future outcomes or events. Such forward-looking statements reflect management’s current beliefs and are based on information currently available to management. All forward-looking statements in this presentation are qualified by these cautionary statements. These statements are not guarantees of future events or performance and, by their nature, are based on FCA’s estimates and assumptions, which are subject to risks and uncertainties, which could cause actual events or results to differ materially from the forward-looking statements contained in this presentation. Those risks and uncertainties include, but are not limited to, those related to: liquidity in the global marketplace associated with current economic conditions, occupancy levels, access to debt and equity capital, interest rates, the relative illiquidity of real property, unexpected costs or liabilities related to acquisitions or dispositions, construction, environmental matters, legal matters, reliance on key personnel, income taxes, the conditions to the transactions not being satisfied resulting in the failure to complete some or all of the proposed transactions described herein, the trading price of the securities of FCA, lack of availability of acquisition or disposition opportunities for the Trust and exposure to economic, real estate and capital market conditions in North America. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking information may include, but are not limited to: that the general economy remains stable, interest rates are relatively stable, acquisition/disposition capitalization rates are stable, competition for acquisition or disposition of residential apartments remains intense, and equity and debt markets continue to provide access to capital. These assumptions, although considered reasonable by the Trust at the time of preparation, may prove to be incorrect. Although the forward-looking information contained in this presentation is based upon what management believes are reasonable assumptions, there can be no assurance that actual results will be consistent with these forward-looking statements. Certain statements included in this presentation may be considered “financial outlook” for purposes of applicable securities laws, and such financial outlook may not be appropriate for purposes other than this presentation. You should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While we may elect to, we are under no obligation and do not undertake to update this information at any particular time.
