FIRST QUARTER 2020 MARCH 31, 2020

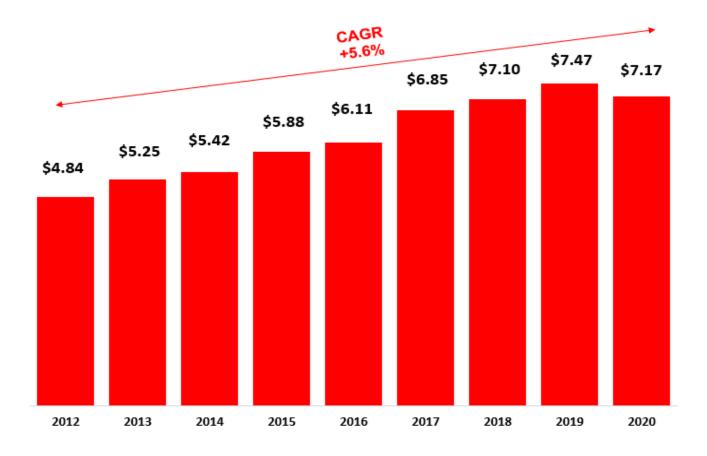

INVESTMENT STRATEGY

Firm Capital Property Trust is focused on creating long-term value for Unitholders, through capital preservation and disciplined investing to achieve stable distributable income. In partnership with management and industry leaders, The Trust's plan is to own as well as co-own a diversified property portfolio of multi-residential, flex industrial, net lease convenience retail, and core service provider professional space. In addition to stand alone accretive acquisitions, the Trust will make joint acquisitions with strong financial partners and acquisitions of partial interests from existing ownership groups, in a manner that provides liquidity to those selling owners and professional management for those remaining as partners. Firm Capital Realty Partners Inc., through a structure focused on an alignment of interests with the Trust sources, syndicates and property and asset manages investments on behalf of the Trust.
