### FIRM CAPITAL MORTGAGE INVESTMENT CORPORATION ANNOUNCES Q2/2021 RESULTS

August 10, 2021, TORONTO, CANADA – Firm Capital Mortgage Investment Corporation (the “Corporation”) (TSX FC, FC.DB.E, FC.DB.F, FC.DB.G, FC.DB.H, FC.DB.I and FC.DB.J) released its financial statements for the three and six months ended June 30, 2021.

#### NET INCOME

For the three months ended June 30, 2021, net income increased by 7.4% to \$7,378,455 as compared to \$6,867,497 reported for the same period in 2020. Net income for the six months ended June 30, 2021, increased by 12.1% to \$14,685,291 as compared to \$13,103,939 for the six months ended June 30, 2020. The increase is mainly a result of higher interest income due to a larger average investment portfolio size (on average, \$17.4 million higher in the second quarter of 2021 relative to the second quarter of 2020) and a higher weighted average portfolio interest rate, over the comparable period in 2020.

#### EARNINGS PER SHARE

Basic weighted average profit per share for the three months ended June 30, 2021, was \$0.238, as compared to the \$0.239 per share reported for the three months ended June 30, 2020. Basic weighted average profit per share for the six months ended June 30, 2021 was \$0.475, compared to the \$0.458 per share reported for the six months ended June 30, 2020.

#### PORTFOLIO

The Corporation’s investment portfolio decreased by \$29 million to \$530 million as at June 30, 2021, in comparison to \$559.0 million as at December 31, 2020 (in each case, gross of the impairment provision and fair value adjustment). During the six months ended June 30, 2021, new investment funding was \$203.3 million (2020 – \$181.4 million), and repayments were \$232.5 million (2020 – \$139.4 million). However, on average during the two comparable periods, the Investment Portfolio was \$17.4 million higher in the second quarter of 2021 compared to the same period in 2020.

#### RETURN ON EQUITY

The Corporation continues to exceed its yield objective of producing a return on shareholders’ equity in excess of 400 basis points over the average one-year Government of Canada Treasury bill yield. For the quarter ended June 30, 2021, the annualized return on total shareholders’ equity (based on the average of the month end total shareholders’ equity in the quarter) of 8.53%, representing a return on total shareholders’ equity of 828 basis points per annum over the average one-year Government of Canada Treasury bill yield of 0.25%.

#### PRUDENT IMPAIRMENT ALLOWANCE

Management has always taken a proactive approach to the Corporation’s loan impairment allowance. This is a prudent approach that provides stability of dividends to our shareholders in the event there are any future issues with any of the loans within the Corporation’s investment portfolio. The provision for impairment and fair value adjustment as of June 30, 2021, was \$5,610,000 (December 31, 2020, provision for impairment only – \$5,609,000 million).

## **FORWARD-LOOKING STATEMENTS**

This news release contains forward-looking statements within the meaning of applicable securities laws including, among others, statements concerning our objectives, our strategies to achieve those objectives, our performance, our investment portfolio and our dividends, as well as statements with respect to management's beliefs, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance, or expectations that are not historical facts. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "outlook", "objective", "may", "will", "expect", "intent", "estimate", "anticipate", "believe", "should", "plans", or "continue", or similar expressions suggesting future outcomes or events. Such forward-looking statements reflect management's current beliefs and are based on information currently available to management.

These statements are not guarantees of future performance and are based on our estimates and assumptions that are subject to risks and uncertainties, including those described in our current Annual Information Form under “Risk Factors” (a copy of which can be obtained at [www.sedar.com](http://www.sedar.com)), which could cause our actual results and performance to differ materially from the forward-looking statements contained in this news release.

Those risks and uncertainties include, among others, risks associated with the impact of existing or future waves of the COVID-19 pandemic, mortgage lending, dependence on the Corporation’s manager and mortgage banker, competition for mortgage lending, real estate values, interest rate fluctuations, environmental matters, shareholder liability, and the introduction of new tax rules. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking information include, among others, that the Corporation is able to invest in mortgages at rates consistent with rates historically achieved; adequate mortgage investment opportunities are presented to the Corporation; adequate bank indebtedness and bank loans are available to the Corporation; and a non-material impact resulting from the COVID-19 pandemic. Although the forward-looking information contained in this news release is based upon what management believes are reasonable assumptions, there can be no assurance that actual results and performance will be consistent with these forward-looking statements.

All forward-looking statements in this news release are qualified by these cautionary statements. Except as required by applicable law, the Corporation undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
