This Circular is furnished in connection with the solicitation of proxies by management of the Corporation for use at the Meeting to be held at the time and place and for the purposes set forth in the accompanying notice of meeting (the "Notice") and any adjournment(s) thereof for the purposes set forth in the Notice. References in this Circular to the "Meeting" include references to any adjournment(s) thereof. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited by telephone or other personal contact by employees, officers and directors of the Corporation. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The costs of solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

A form of proxy is enclosed for registered holders of common shares (the "Shareholders") of the Corporation (the "Shares") and, if it is not your intention to be present in person at the Meeting, you are asked to complete and return the form of proxy in the envelope provided or complete and submit the form of proxy by such other method as is identified, and pursuant to any instructions contained, in the form of proxy. The proxy must be executed by the Shareholder or the attorney of such Shareholder, duly authorized in writing. Proxies to be used at the Meeting must be deposited with the Corporation's transfer agent for the Shares, Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by such other method as is identified in the form of proxy, in accordance with the instructions set out in the form of proxy, prior to 10:00 a.m. (Toronto time) on June 10, 2022, or, if the Meeting is adjourned, 48 hours (excluding Saturdays, Sundays and holidays) prior to the start of such adjourned meeting. The time limit for the deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion without notice.

The individuals specified as proxyholders in the enclosed form of proxy are directors or officers of the Corporation.

A REGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM, HER OR IT AND ON HIS, HER OR ITS BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY. SUCH RIGHT MAY BE EXERCISED BY STRIKING OUT THE NAMES OF THE PERSONS DESIGNATED IN THE FORM OF PROXY AND BY INSERTING IN THE BLANK SPACE PROVIDED FOR THAT PURPOSE THE NAME OF THE DESIRED PERSON, OR BY COMPLETING ANOTHER PROPER FORM OF PROXY AND, IN EITHER CASE, DELIVERING OR SUBMITTING THE COMPLETED AND EXECUTED FORM OF PROXY AS OUTLINED HEREIN.

If you have given a proxy pursuant to this solicitation, you may revoke it as to any matter on which a vote has not already been cast pursuant to its authority, either: (i) by instrument in writing executed by you or by your attorney authorized in writing and deposited either (y) at the Corporation's head office at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used, or (z) with the Chair of the Meeting on the day of the Meeting (but prior to the commencement thereof) or any adjournment thereof; or (ii) in any other manner permitted by law.

If your Shares are held in the name of a nominee (such as a bank, trust company or securities broker), the nominee will seek your instructions as to how to vote the Shares and you should follow the voting instructions provided by the nominee. See "Non-Registered Holders".

EXERCISE OF DISCRETION BY PROXIES

The Shares represented by any proxy received by management will be voted or withheld from voting by the persons named in the enclosed form of proxy in accordance with the direction of the Shareholder appointing them. If the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares represented by such Shareholder's proxy will be voted accordingly. **In the absence of any direction to the contrary, it is intended that the Shares represented by proxies received by management will be voted "for": (i) the election of the director nominees referred to in this Circular; (ii) the appointment of the Corporation's auditor with its remuneration to be fixed by the directors; (iii) the re-approval the Corporation's 2010 stock option plan (the "Stock Option Plan"); and (iv) amendments extending the term of, and allowing for amendments upon approval of the independent directors of the Corporation to, each of the amended and restated mortgage banking agreement dated as of June 19, 2019 between the Firm Capital Corporation (the "Mortgage Banker") and the Corporation (the "Mortgage Banking Agreement") and the joint venture agreement dated as of October 14, 2020 between the FC Treasury Management Inc. (the "Corporation Manager") and the Corporation (the "JV Agreement").** The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to matters not specifically mentioned in the Notice but which may properly come before the Meeting or any adjournment thereof, and with respect to amendments or variations of matters identified in the Notice. As at the date hereof, management knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice and routine matters incidental to the conduct of the Meeting. If any further or other business is properly brought before the Meeting, it is intended that the persons appointed as proxy will vote on such other business in such other manner as such persons then consider proper.

NON-REGISTERED HOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Shares beneficially owned by a holder who is not a registered Shareholder (a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary with whom the Non-Registered Holder deals in respect of the Shares (an "**Intermediary**") such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered retirement savings plans ("**RRSPs**"), registered retirement income funds ("**RRIFs**"), registered education savings plans and similar plans; or (ii) in the name of a clearing agency (such as CDS & Co., of which the Intermediary is a participant). In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation will distribute copies of the Notice and this Circular to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice, the Circular, a Voting Instruction Form (as defined below) (collectively, the "**Mailed Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Holders. The Corporation is not sending the Mailed Materials directly to non-objecting beneficial owners. The Corporation does not intend to pay for Intermediaries to deliver the Mailed Materials to the objecting beneficial owners.

Intermediaries are required to forward the Mailed Materials to the appropriate Non-Registered Holders. Non-Registered Holders will be given, in substitution for the proxy otherwise contained in proxy-related materials, a request for voting instructions (the "**Voting Instruction Form**") which, when properly completed and, if applicable, signed by the Non-Registered Holder and returned to the Intermediary or the Corporation, as applicable, will constitute voting instructions which the Intermediary must follow.

The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. Should a Non-Registered Holder who receives the Voting Instruction Form wish to vote at the Meeting in person (or have another person attend the vote on behalf of the Non-Registered Holder), the Non-Registered Holder should so indicate in the place provided for that purpose in the Voting Instruction Form and a form of legal proxy will be sent to the Non-Registered Holder. In any event, Non-Registered Holders should carefully follow the instructions of their Intermediary set out in the Voting Instruction Form.

If any person entitled to vote at a meeting of the Corporation's Shareholders wishes to propose any matter for consideration at the next meeting, in order for such proposal to be considered for inclusion in the materials mailed

to Shareholders in respect of such meeting, such proposal must be received by the Corporation no later than 90 days before the anniversary date of the Notice.

AUTHORIZED CAPITAL, VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation's authorized capital consists of an unlimited number of Shares and an unlimited number of preferred shares, issuable in series. As at May 10, 2022, 34,483,256 Shares were issued and outstanding.

Shareholders are entitled to one vote in respect of each matter to be voted upon at the Meeting for each Share registered in their name as at the close of business on May 10, 2022, even if a Shareholder disposes of their Shares after that date, and no Shareholder becoming such after that date shall be entitled to vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at May 10, 2022, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to the Shares.

The Corporation has adopted a by-law that requires advance notice by any Shareholder intending to nominate a director to the board of directors of the Corporation (the "**Advance Notice By-Law**") in order to provide Shareholders, directors and management of the Corporation with a clear framework for nominating directors in connection with an annual or special meeting of the Shareholders. Among other things, the Advance Notice By-Law fixes a deadline by which Shareholders must submit a notice of director nominations to the Company prior to any annual or special meeting of Shareholders where directors are to be elected and sets forth the information that a Shareholder must include in the notice for it to be valid. In the case of an annual meeting of Shareholders, notice to the Company must be made not later than the close of business on the 30th day and not earlier than the opening of business on the 65th day prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement. In the case of a special meeting of Shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made. The Advance Notice By-Law was confirmed by the Shareholders on June 26, 2013. The by-laws of the Corporation, including the full text of the Advance Notice By-Law, are available under the Corporation's profile on the SEDAR website at www.sedar.com.

QUORUM

The by-laws of the Corporation provide that a quorum of Shareholders for the Meeting is that holders of not less than 5% of the Shares entitled to vote at the Meeting are present in person or represented by proxy, and at least two persons entitled to vote at the Meeting are actually present at the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No: (i) director or executive officer of the Corporation who has held such position at any time since January 1, 2021; (ii) proposed nominee for election as a director of the Corporation; or (iii) associate or affiliate of a person in (i) or (ii), has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

MATTERS REQUIRING SHAREHOLDER APPROVAL

Election of Directors

The Corporation's articles of incorporation, as amended, provide that there shall be no fewer than three and no more than twelve directors, with the actual number of directors within that range to be determined from time to time by the Shareholders or by the directors. Presently, the Corporation has twelve directors. Pursuant to a nomination rights agreement between the Corporation and the Corporation Manager, as long as the Corporation Manager administers the day-to-day operations of the Corporation, the Corporation has the right to designate three nominees for election as a director of the Corporation in the event that the board of directors of the Corporation comprises eight or more directors, and two nominees for election as a director of the Corporation in the event that the board of directors

of the Corporation comprises fewer than eight directors. In connection with the foregoing nomination rights agreement, three of the directors, namely, Eli Dadouch, Jonathan Mair and Michael Warner, have been nominated by the Corporation Manager, while the remaining nine directors are nominated by management. All directors elected by the Shareholders will hold office until the close of business of the next annual meeting of Shareholders, or any adjournment(s) thereof, unless his or her office is earlier vacated or until his or her successor is elected or appointed. The terms of all of the current directors expire at the close of the Meeting.

It is the intention of the persons named in the enclosed form of proxy for use at the Meeting (in the event that authority is not withheld) to vote in favour of the election of Geoffrey Bledin, Eli Dadouch, Morris Fischtein, Victoria Granovski, Stanley Goldfarb, Anthony Heller, Jonathan Mair, Francis Newbould, Joe Oliver, Keith Ray, Lawrence Shulman and Michael Warner as directors of the Corporation, to hold office until the close of the annual meeting of Shareholders in 2023 or until their successors are duly elected or appointed. Management does not contemplate that any of such nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy will vote for another nominee as management may recommend unless the Shareholder has specified in the form of proxy that its Shares are to be withheld from voting in the election of directors.

The following table sets forth the names of the persons proposed by management and the Corporation Manager to be nominated for election as directors, their respective positions and offices currently held with the Corporation, their respective principal occupation or employment, the year each nominee became a director of the Corporation, and the approximate number of Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them at the date of this Circular:

To the best of the knowledge of the Corporation and based upon information provided to it by each proposed directors for election to the board of directors, no proposed director of the Corporation is, as at the date hereof, or has been, within 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (i) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (ii) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Bankruptcies and Other Proceedings

Other than as set forth below, no proposed director of the Corporation is, as at the date hereof, or has been within 10 years prior to the date hereof, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became

bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Morris Fischtein is a director and officer of both Pinetree Resorts Inc. and 1212360 Ontario Inc. On April 29, 2013, a secured creditor appointed a receiver on assets of Pinetree Resorts Inc. and 1212360 Ontario Inc. The receiver completed the engagement within one year of being appointed. The work of the receiver focused on Pinetree Resorts Inc. and 1212360 Ontario Inc.

No proposed director of the Corporation has, within the 10 years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Penalties and Sanctions

No proposed director of the Corporation has been subject to:

- (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important in deciding whether to vote for a proposed director.

Majority Voting Policy

The ordinary resolution electing the directors must be passed by at least the majority of the votes cast at the Meeting by all Shareholders who vote in respect thereof in person or by proxy. It is the policy of the board that in an uncontested election of directors, any nominee who receives a greater number of votes “WITHHELD” than votes “FOR” will tender a resignation to the Chair of the board of directors promptly following the Meeting. The board will consider the offer of resignation and, except in special circumstances, will accept the resignation. A director’s resignation pursuant to the policy will be effective when accepted by the board. A director who tenders a resignation pursuant to the policy will not participate in any meeting of the board, or any sub-committee of the board, at which the resignation is considered. The board will make its decision and announce it in a press release within 90 days following the Meeting, including the reasons for rejecting the resignation, if applicable. **The directors recommend that Shareholders vote in favour of the proposed director nominees.**

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY WILL VOTE <u>FOR</u> THE ABOVE DIRECTOR NOMINEES.

Appointment of Auditor

At the Meeting, Shareholders will be asked to approve a resolution appointing KPMG LLP, Chartered Professional Accountants, as auditor for the Corporation to hold office until the close of the next annual meeting of the Shareholders, and to authorize the directors to fix their remuneration. KPMG LLP have acted as the Corporation’s auditor since their appointment in December 2002. For the fiscal year ended December 31, 2021, KPMG LLP was paid approximately \$231,000 in audit and audit related fees. The ordinary resolution must be passed by at least the majority of the votes cast at the Meeting by all Shareholders who vote in respect thereof in person or by proxy. **The directors recommend that Shareholders vote in favour of the appointment of KPMG LLP, Chartered Professional Accountants, and the authorization of the directors to fix their remuneration.**

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY WILL VOTE <u>FOR</u> THE APPOINTMENT OF KPMG LLP, CHARTERED PROFESSIONAL ACCOUNTANTS, AS AUDITORS OF THE CORPORATION, AND TO AUTHORIZE THE DIRECTORS TO FIX THEIR REMUNERATION.

Re-Approval of the Stock Option Plan

At the Meeting, Shareholders will be asked to consider and approve a resolution (the “**Stock Option Plan Resolution**”) of Shareholders to re-approve the Stock Option Plan. The Stock Option Plan was previously approved by unitholders of Firm Capital Mortgage Investment Trust at a special meeting of unitholders held on November 30, 2010 and, pursuant to the rules of the Toronto Stock Exchange (“**TSX**”), is required to be re-approved by Shareholders every three years. The Stock Option Plan was last re-approved by Shareholders at the Corporation’s annual and special meeting held on June 19, 2019. The Stock Option Plan is summarized below under “Executive Compensation – Option-Based Awards”. The text of the Stock Option Plan Resolution is set out in Schedule “B” to this Circular and the Stock Option Plan is set out in Schedule “C” to this Circular.

The Stock Option Plan Resolution is an ordinary resolution and must be passed by at least a majority of the votes cast at the Meeting by all Shareholders who vote in respect thereof in person or by proxy. In the event that the Stock Option Plan Resolution is not approved at the Meeting, effective immediately, the Corporation will no longer be able to issue new Options under the Stock Option Plan. Previously issued Options will not be affected should the Stock Option Plan Resolution not be approved and will remain in place until their original expiry date in accordance with the existing terms of the Stock Option Plan. Provided that the Stock Option Plan is re-approved by the Shareholders at the Meeting, the Stock Option Plan must subsequently be re-approved no later than June 14, 2025. **The directors recommend that Shareholders vote in favour of the Stock Option Plan Resolution.**

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY WILL VOTE FOR THE STOCK OPTION PLAN RESOLUTION.

Amendments to the Mortgage Banking Agreement and JV Agreement

Mortgage Banking Agreement

In order to assist the Corporation in achieving its objectives of providing Shareholders with stable and secure cash dividends and maximizing yields, dividends and Share price, the Corporation has retained the Mortgage Banker to provide certain services pursuant to the Mortgage Banking Agreement. Under the Mortgage Banking Agreement, the Mortgage Banker is required to, among other things: (i) identify investment opportunities for the Corporation; (ii) provide the directors and the Investment Committee with information relating to proposed acquisitions, participation in investments, financing and mortgage and related investments; and (iii) service and administer the Corporation’s portfolio of investments or interests therein on behalf of, and solely in the best interests and for the benefit of, the Corporation and the Shareholders.

Currently, the Mortgage Banking Agreement provides that it can be terminated by the Corporation on or at any time after October 6, 2030 otherwise than for cause, upon the approval of two-thirds of the votes cast by Shareholders at a meeting of the Shareholders called for such purpose after October 6, 2030, and upon 24 months’ prior written notice to the Mortgage Banker given after such approval of Shareholders, subject to the payment of any amounts payable to the Mortgage Banker upon such termination. If such Shareholder approval is not obtained by January 6, 2031, then the Mortgage Banking Agreement provides that it shall be automatically renewed such that it cannot be terminated, otherwise than for cause, in accordance with the foregoing requirements until October 6, 2035. Furthermore, the Mortgage Banking Agreement currently provides that any material change to the Mortgage Banking Agreement shall only be effective upon the approval of at least two thirds of the votes cast by Shareholders at a meeting of Shareholders called for such purpose.

In acknowledgement of the Mortgage Banker’s ongoing and increasing contributions to the Corporation, the need to facilitate timely and appropriate changes to the Mortgage Banking Agreement approved in an independent and knowledgeable manner and to maintain the critical alignment of interests between the Mortgage Banker and the Corporation, and consistent with current general industry practice as well as past extensions and automatic renewal terms and the terms of the Investment and Operating Guidelines of the Corporation, the Corporation’s board of directors has approved, subject to Shareholder approval at the Meeting, amendments to the Mortgage Banking Agreement to: (i) extend the earliest date on which the above termination notice can be given from October 6, 2030 to October 6, 2035, and to extend the automatic renewal period, if the requisite termination approval of Shareholders described above is not obtained by January 6, 2036, from October 6, 2035 to October 6, 2040; and (ii) replace the

requirement that material changes require two thirds of the votes cast by Shareholders, with the requirement that any change or modification of the Mortgage Banking Agreement may only be executed by the Corporation if and when approved by a majority of the independent directors of the Corporation.

The proposal to extend the earliest date on which the termination notice can be given under the Mortgage Banking Agreement to October 6, 2035 is consistent with similar extensions that were approved by Shareholders in each of 2001, 2005, 2007, 2010, 2012, 2016 and 2019.

The Corporation's board of directors believes that it is critical to the Corporation's success that a stable and secure source of mortgage investment opportunities be maintained on appropriate terms and that the Corporation has the ability to obtain financing on commercially reasonable terms and raise capital as required from time to time. The Corporation is dependent upon the Mortgage Banker for such services. In addition, the Mortgage Banker provides valuable underwriting and servicing functions in consultation with the Corporation in connection with its mortgage investments and also assumes control of enforcement proceedings, where necessary. As the Corporation's assets under administration have continued to increase, even during periods of considerable economic pressures, the Mortgage Banker has naturally been required to devote an increasingly significant amount of its time and resources to sourcing, underwriting and servicing the Corporation's mortgage investments under the direction of the Corporation. Contributing to the inter-dependence between the Corporation and the Mortgage Banker is the Corporation's right of first refusal on any mortgages underwritten by the Mortgage Banker and the Mortgage Banker's non-competition agreement in the Corporation's favour. To enable the Mortgage Banker to continue to expand its business while maintaining the personnel to support the Corporation's activities, the Corporation's relationship with the Mortgage Banker needs to be of sufficient duration to ensure that the Mortgage Banker is adequately incentivized and, in particular, can rely on the Corporation for a consistent, sustained and long-term stream of sourcing, underwriting and servicing opportunities. The Mortgage Banker has implemented a program to increase its staffing and management team to deal with, among other things, the Corporation's evolving requirements. With the implementation of this program, the Mortgage Banker's management team will have expanded considerably, and the Mortgage Banker will have in place a diverse group of professionals who are able to fulfill its obligations to the Corporation.

The directors believe that a contract with an 13 year term, with any changes requiring independent director approval, is reasonable for an entity of the Corporation's size, especially given the stability provided to the Corporation as a result of it having committed service providers. External management contracts of this duration are becoming more prevalent in the market place. The proposed amendments to the Mortgage Banking Agreement will help the Mortgage Banker and the Corporation achieve the objective of enabling stable and secure growth on appropriate terms. Such a term will appropriately acknowledge the Mortgage Banker's contribution to the Corporation's growth and provide it with adequate protections similar to those afforded to comparable externally managed entities so that it can devote the necessary resources to the Corporation's operations.

The proposed amendments to the Mortgage Banking Agreement are expected to assist in aligning the long-term interests of the Mortgage Banker with those of the Corporation and to contribute to the achievement of the Corporation's objective of stable and secure growth.

The proposed amendments will also allow the independent directors of the Corporation to approve any change or modification of the Mortgage Banking Agreement, which will allow for the efficient and independent monitoring of the Mortgage Banking Agreement by those persons who have significant knowledge about the Corporation and are best able to independently evaluate any proposed changes or modifications. Moreover, this change is consistent with the Investment and Operating Guidelines of the Corporation which govern which loan investments are able to be made by the Corporation and how such investments are made, which guidelines may (since January 1, 2011) be modified by the board of directors of the Corporation and provide that loan investments over certain monetary thresholds must be approved by one or more independent directors of the Corporation. In connection with the conversion of the former income trust structure of Firm Capital Mortgage Investment Trust into the Corporation which was completed on January 1, 2011, the Investment and Operating Guidelines at the time were modified so as to allow them to be changed by the directors of the Corporation as outlined above (instead of the then unitholders, as was the case prior to January 1, 2011). This change to the Mortgage Banking Agreement will align it to the efficiency and independent governance structure used in the Investment and Operating Guidelines of the Corporation, which has operated well for the Corporation for more than 11 years.

JV Agreement

Pursuant to the JV Agreement, the Corporation Manager administers the Corporation's day-to-day operations. The Corporation Manager's address is 163 Cartwright Avenue, Toronto, Ontario, M6A 1V5. Among its duties, the Corporation Manager is required to: (i) arrange financing and raise capital for the Corporation, as required; (ii) provide advice and assistance on the Corporation's behalf in connection with the Corporation's dealings with investment dealers, institutions and investors regarding sales of the Corporation's securities; (iii) conduct day-to-day relations on the Corporation's behalf with other persons, including brokers, consultants, lenders, accountants, lawyers, appraisers, insurers and insurance agents, and lenders; (iv) maintain the Corporation's books and financial records; and (v) provide office space, equipment and the necessary clerical and secretarial personnel for the administration of the Corporation's day-to-day affairs.

Similar to the Mortgage Banking Agreement, the JV Agreement provides that it can be terminated by the Corporation on or at any time after October 6, 2030 otherwise than for cause, upon the approval of two-thirds of the votes cast by Shareholders at a meeting of the Shareholders called for such purpose after October 6, 2030, and upon 24 months' prior written notice to the Corporation Manager given after such approval of Shareholders, subject to the payment of any amounts payable to the Corporation Manager upon such termination. If such Shareholder approval is not obtained by January 6, 2031, then the JV Agreement provides that it shall be automatically renewed such that it cannot be terminated, otherwise than for cause, in accordance with the foregoing requirements until October 6, 2035. Also similar to the Mortgage Banking Agreement, the JV Agreement currently provides that any material change to the JV Agreement shall only be effective upon the approval of at least two thirds of the votes cast by Shareholders at a meeting of Shareholders called for such purpose.

Subject to Shareholder approval at the Meeting, and consistent with past extensions and automatic renewal terms and the need to facilitate timely and appropriate changes to the JV Agreement approved in an independent manner, the Corporation's board of directors has approved amendments to the JV Agreement to: (i) extend the earliest date on which the above termination notice can be given from October 6, 2030 to October 6, 2035, and to extend the automatic renewal period, if the requisite termination approval of Shareholders described above is not obtained by January 6, 2036, from October 6, 2035 to October 6, 2040; and (ii) replace the requirement that material changes require two thirds of the votes cast by Shareholders, with the requirement that any change or modification of the JV Agreement may only be executed by the Corporation if and when approved by a majority of the independent directors of the Corporation.

The proposal to extend the earliest date on which the termination notice can be given under the JV Agreement to October 6, 2035 is consistent with similar extensions that were approved by Shareholders in each of 2001, 2005, 2007, 2010, 2012, 2016 and 2019.

Similar to the reasons referred to above in connection with the proposed amendments to the Mortgage Banking Agreement, to enable the Corporation Manager to continue devoting time and resources to the Corporation, the Corporation needs to ensure that the Corporation Manager is adequately incentivized and, in particular, can rely on the Corporation for a sustained stream of business. It is critical to the Corporation's success that the Corporation have the ability to obtain financing and raise capital as required from time to time. The Corporation is dependent upon the Corporation Manager for advice and assistance in this regard. Since its initial public offering the Corporation's assets under administration have increased and, as a result, the Corporation Manager has been required to devote an increasingly significant amount of its time and resources addressing the Corporation's ongoing financing and capital requirements. Accordingly, the proposed amendments to the JV Agreement are expected to assist in aligning the long-term interests of the Corporation Manager with those of the Corporation, and to contribute to achieving the Corporation's objective of stable and secure growth. Also similar, the proposed amendments will also allow the independent directors of the Corporation to approve any change or modification of the JV Agreement, which will allow for the efficient and independent monitoring of the JV Agreement by those persons who have significant knowledge about the Corporation and are best able to independently evaluate any proposed changes or modifications, as well align the JV Agreement to the efficiency and independent governance structure used in the Investment and Operating Guidelines of the Corporation, which has operated well for the Corporation for many years.

Additionally, as the JV Agreement and Mortgage Banking Agreement are interdependent, the terms of these agreements should run concurrently and be able to be modified in the same efficient and independent manner.

Accordingly, the term of the JV Agreement and ability to amend the JV Agreement should be extended or changed, as applicable, to match the proposed amendments to the Mortgage Banking Agreement discussed above.

The text of the special resolution authorizing the amendments to both the Mortgage Banking Agreement and the JV Agreement is set forth in Schedule “D” to this Circular. To be effective, this special resolution must be passed by at least two-thirds of the votes cast by Shareholders present in person or represented by proxy at the Meeting. **The directors recommend that Shareholders vote in favour of the special resolution approving the amendments to both the Mortgage Banking Agreement and the JV Agreement.**

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY WILL VOTE FOR THE SPECIAL RESOLUTION APPROVING THE AMENDMENTS TO BOTH THE MORTGAGE BANKING AGREEMENT AND THE JV AGREEMENT.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

None of the Corporation’s executive officers, including Ryan Lim (Chief Financial Officer), Eli Dadouch (Chief Executive Officer and President), Jonathan Mair (Chief Operating Officer and Executive Vice President), and Sandy Poklar (Executive Vice President and Managing Director, Finance), received compensation from, or were employed by, the Corporation during the fiscal year ended December 31, 2021. Pursuant to the JV Agreement, the Corporation Manager is entitled to receive a portion of interest income payable by borrowers of the Corporation’s investments equal to the greater of \$150,000 and 0.75% of our first \$1 billion of invested mortgages, in aggregate, in each calendar year, paid monthly. Under the JV Agreement, the share of interest income to which the Corporation Manager is entitled in respect of investments greater than \$1 billion shall be determined at a future date and based on a proposal by the Corporation Manager to the Shareholders for their approval by 2/3 of the votes cast by Shareholders at a meeting. The Corporation Manager is not entitled to any share of interest income on cash balances or mortgage loans held in respect of which interest payments are in arrears for 30 days or more, but excluding mortgage loans in respect of which any default thereunder was subsequently remedied in accordance with the terms of such loans. For the years ended December 31, 2021, 2020 and 2019, the Corporation Manager received a share of interest income under the JV Agreement (or the predecessor thereto) equal to \$4,151,045, \$3,774,550 and \$3,685,593, respectively. Eli Dadouch and, up to June 2019, Jonathan Mair and Michael Warner, each of whom is a director and/or officer of the Corporation, are (or were) also directors, officers and/or are related to entities that directly or indirectly own (or, up to June 2019, owned) an interest in the Corporation Manager, and a portion of the interest income is (or has been) received by entities related to these individuals in connection with such entities’ ownership interest (and not in their capacity as directors, officers and/or employees of the Corporation Manager). In the last three fiscal years, entities related to Eli Dadouch, and, up to June 2019, Jonathan Mair and Michael Warner received the following amounts in respect of such entities’ ownership interest in the Corporation Manager (and also, in the case of payments received by entities related to Eli Dadouch, in respect of the reimbursement of such entities for costs they incurred on behalf of the Corporation Manager): in 2021, they received \$3,352,744, \$0 and \$0, respectively; in 2020, they received \$2,948,314, \$0 and \$0, respectively; and in 2019, they received \$1,735,673, \$300,000 and \$0, respectively. As none of Eli Dadouch, Jonathan Mair or Michael Warner owns a direct interest in the Corporation Manager, these individuals may receive only a part of, or none of, the amounts received by the entities related to them. Also, due to the fact that the Corporation has a different fiscal year end than the Corporation Manager, certain of the interest income earned by the Corporation Manager is not distributed by the Corporation Manager during its fiscal year.

As a result of the Corporation’s arrangements with the Corporation Manager, the Corporation does not employ any individuals (and has no employment contracts with any individuals) other than the Corporation’s Credit Manager, Victoria Granovski. The Credit Manager, being the Corporation’s sole employee, is responsible for ensuring compliance with the Corporation’s investment and operating guidelines established from time to time by the board of directors, and reports directly to the Chair of the board of directors (who is an independent director). As such, the directors have determined that the Corporation does not require a compensation committee. Instead, the entire board of directors is responsible for compensation matters, to the extent applicable.

Share Performance Graph

The following graph compares the total cumulative Shareholder return for \$100 invested in Shares with the cumulative total return of the S&P/TSX Composite Total Return Index during the Corporation's five most recently completed financial years. During the period, the total cumulative Shareholder return for \$100 invested in Shares was \$150, as compared to \$160 for the S&P/TSX Composite Total Return Index.

Five-Year Cumulative Total Return on \$100 Investment Assuming Distributions are Re-invested January 1, 2017 – December 31, 2021

As is noted above, none of the executive officers of the Corporation are employed by the Corporation, or received any compensation from the Corporation, other than stock options, during the period covered by the graph above. As such, the trend shown in the graph above is unrelated to compensation paid by the Corporation to the Corporation's executive officers during the same period.

Option-Based Awards

The Stock Option Plan provides for the grant of options to purchase Shares to eligible service providers of the Corporation, including the Corporation's directors, officers, and employees, and the directors, officers and employees of the Corporation Manager and the Mortgage Banker. The maximum number of Shares that may be issued pursuant to options granted under the Stock Option Plan is equal to 10% of the number of Shares outstanding from time to time. Given that the Stock Option Plan does not have a fixed maximum number of Shares issuable thereunder, it has to be re-approved by Shareholders every three years from the date of the meeting of Shareholders at which it was last approved.

As of December 31, 2021, the Stock Option Plan permitted a maximum of 3,361,089 Shares to be issued to holders of options granted thereunder. Previous grants and exercises of options under the Stock Option Plan are taken into account when considering new grants. During 2021, 100,000 additional options were issued at a price of \$13.97 per Share (all of which were fully vested upon granting), and 947,500 options were exercised. During 2020, the Corporation granted 1,875,000 options at an exercise price of \$11.70 per Share (1,700,000 of these options were fully vested upon granting, and the remaining 175,000 options vest five years from the grant date), and 65,000 options were exercised. During 2019, 46,250 options were exercised. During 2018, 20,000 options were exercised. During 2017, 70,000 additional options were issued at a price of \$13.15 per Share, and 131,000 options were exercised. During 2016, 46,250 options were exercised. During 2015, 10,000 options were cancelled, and additional 35,000 options were issued at a price of \$12.21 per Share. During 2014, 10,000 options were cancelled and 1,500 options were exercised. During 2013, the Corporation granted 1,040,000 options at an exercise price of \$11.78 per Share. These options were fully vested upon granting.

As at December 31, 2021, 1,842,500 options were outstanding, representing 5.5% of the issued and outstanding Shares on that date, leaving 1,518,589 options available to be issued under the Stock Option Plan, representing 4.5% of the issued and outstanding Shares, on that date.

The number of Shares issuable to insiders at any time pursuant to the Stock Option Plan and any other security based compensation arrangement cannot exceed, in aggregate, 10% of the Shares then issued and outstanding. In addition, the number of Shares issuable to insiders within any one year period pursuant to the Stock Option Plan and any other securities based compensation arrangement cannot exceed 10% of the issued and outstanding Shares. Finally, the number of Shares issuable to non-employee directors of the Corporation pursuant to the Stock Option Plan cannot exceed 5% of the Shares then issued and outstanding.

The exercise price at which Shares may be issued pursuant to any option granted under the Stock Option Plan shall not be less than the Market Price. For the purposes of the Stock Option Plan, “**Market Price**” means: (i) the volume weighted average trading price for the Shares during the five trading days on the TSX prior to the applicable date of grant, or (ii) if the Shares are not listed on the TSX or are suspended from trading thereon, the market price shall be either (y) the price per Share determined in accordance with the rules and regulations of any other stock exchange or over-the-counter trading system upon which the Shares may then be listed and traded, or (z) if (y) is not applicable, the fair market value of the Shares as determined by the board of directors in its sole discretion shall be used for the purpose of determining the Market Price.

Unless limited by the terms of the Stock Option Plan or any regulatory or stock exchange requirement, the board of directors shall have full and final authority to determine the terms and conditions attached to any grant of options to an eligible participant (an “**Optionee**”), including when such options shall become vested and exercisable. The Optionee may then exercise any vested options, in whole or in part, at any time not later than the tenth anniversary of the date of grant or such earlier date fixed by the board of directors (the “**Expiry Date**”), and all unexercised options shall expire and terminate following such Expiry Date. The Stock Option Plan provides that, if the Expiry Date occurs during a black-out period, then the options shall remain exercisable until the period ending up to two trading days after the end of such black-out period, notwithstanding the natural expiry of its term, except that in no event may such exercise occur more than 10 years after the initial grant date of the options.

None of the Optionees shall receive any loan or other financial assistance from the Corporation to facilitate the exercise of options.

In the event of the death of an Optionee, vested options held by such Optionee may be exercised by the personal representatives of the Optionee until the earlier of one year from the date of death or the Expiry Date of such options, following which the options will terminate.

In the event that any Optionee shall cease to be an eligible participant for any reason, other than for cause or death, he or she may exercise any options issued under the Stock Option Plan that are then exercisable, but only within the period that is three months from the date that he or she ceases to be an eligible participant. However, the board of directors of the Corporation may, in its discretion, amend the terms of any options held by such Optionee to permit such Optionee to exercise any or all such options as if such Optionee’s employment had not been terminated.

In the event that an Optionee ceases to be an eligible participant because of termination for cause, the options of the Optionee not exercised at such time shall immediately be cancelled on the date of such termination and be of no further force or effect whatsoever, notwithstanding anything to the contrary in the Stock Option Plan. Likewise, if any Optionee shall cease to be an eligible participant for any reason other than as already provided for, the options of the Optionee not exercised at such time shall immediately be cancelled and be of no further force or effect whatsoever.

Notwithstanding the foregoing, the board of directors always retains the discretion to permit the exercise of any or all options held by an Optionee in the manner and on the terms it authorizes, provided it shall not authorize the exercise of an option after its Expiry Date.

The Optionee’s rights with respect to an option granted under the Stock Option Plan are not assignable or transferable by the Optionee or capable of being the subject of any other alienation, sale, pledge, hypothec or other encumbrance by an Optionee, other than a transfer to the Optionee’s legal personal representative(s) by will or by law

and other than a transfer to an Optionee's RRSP or RRIF, provided that the Optionee is, during the Optionee's lifetime, the sole beneficiary of such RRSP or RRIF.

If at any time an option granted under the Stock Option Plan remains unexercised with respect to any Shares and: (i) a *bona fide* offer to purchase all of the issued Shares is made by a third party; (ii) the Corporation proposes to sell all or substantially all of its assets and undertaking; (iii) the Corporation proposes to merge, amalgamate or be absorbed by or into any other corporation (save and except for a subsidiary) under any circumstances which involve or may involve or require the liquidation of the Corporation, a distribution of its assets among its Shareholders, or the termination of the corporate existence of the Corporation; or (iv) the Corporation proposes an arrangement as a result of which all of the outstanding Shares of the Corporation would be acquired by a third party, then the Corporation shall use its best efforts to bring such offer or proposal to the attention of the Optionees as soon as practicable. All or any of the Shares subject to an option granted under the Stock Option Plan may be exercised, whether or not vested, by the Optionee at any time up to and including a date 60 days following the date of the completion of such transaction or prior to the close of business on the Expiry Date of the option, whichever is the earlier, or, if a longer period is provided for in a written agreement between an Optionee and the Corporation, the period provided for in the agreement shall apply provided that such period does not exceed one year. The Corporation may also, by resolution of the board of directors, require the acceleration of the time for the exercise of said option and of the time for the fulfillment of any conditions or restrictions on such exercise, and all such changes shall be final and binding on all options granted to Optionees under the Stock Option Plan.

The board of directors of the Corporation may, at any time and from time to time, amend, suspend or terminate the Stock Option Plan, provided that no such amendment, suspension or termination may be made without obtaining any required approval of any regulatory authority or stock exchange, and may not materially prejudice the rights of any Optionee under any option previously granted to the Optionee without the consent or deemed consent of the Optionee.

Without limiting the generality of the provisions of the Stock Option Plan, the board of directors of the Corporation may, without the approval of the holders of the outstanding Shares, make amendments to the Stock Option Plan for any of the following purposes:

- changing the terms related to the vesting of options as provided in Section 7(c) thereof;
- changing the terms related to the termination of options upon the cessation of provision of services as provided in Section 8 thereof;
- making provisions for any form of financial assistance by the Corporation for the acquisition of Shares by an Optionee;
- making any addition to, deletion from or alteration of the provisions of the Stock Option Plan that are necessary to comply with applicable law or the requirements of any regulatory authority or stock exchange;
- changing the provisions relating to the administration of the Stock Option Plan; and
- making any other amendment under applicable laws or the rules of the TSX, including amendments of a "clerical" or "housekeeping" nature.

Notwithstanding any other term or condition of the Stock Option Plan, none of the following amendments may be made to the Stock Option Plan without first obtaining the approval of the holders of the outstanding Shares:

- an increase in the maximum number of Shares which may be issued under the Stock Option Plan or a change in the percentage of Shares issuable thereunder;
- removing or exceeding the insider participation limits;
- changing the terms related to the pricing of options as provided in Section 6 of the Stock Option Plan;

- changing the amendment and termination provisions of the Stock Option Plan as provided in Section 11 thereof;
- changing the definition of Eligible Participant in the Stock Option Plan;
- making any amendments to the transferability of options as provided in Section 10 of the Stock Option Plan;
- changing the exercise price of any option issued under the Stock Option Plan where such amendment would reduce the exercise price of such option; or
- changing the term of any option issued under the Stock Option Plan where such amendment would extend the term of such option (provided in all cases that any such extension shall not exceed the 10 year term provided for in Section 7(b) of the Stock Option Plan).

The Corporation has no executive officers who received total salary and bonus in excess of \$150,000 during the Corporation’s most recently completed financial year.

- (2) The Named Executive Officers do not receive any compensation for acting as directors. See “Director Compensation”.
- (3) Includes payments received by entities related to Eli Dadouch, which include the reimbursement for costs incurred on behalf of the Corporation Manager. As none of Eli Dadouch or Jonathan Mair owns a direct interest in the Corporation Manager, these individuals may receive only a part of, or none of, the

amounts received by the entities related to them. Also, due to the fact that the Corporation has a different fiscal year end than the Corporation Manager, certain of the interest income earned by the Corporation Manager is not distributed by the Corporation Manager during its fiscal year.

Although the Corporation has no formal compensation arrangements in place with the Corporation's officers and, in particular, the Named Executive Officers, the Corporation may provide a long-term incentive by granting options pursuant to the Stock Option Plan. The options granted permit certain key individuals, including the Corporation's directors and the Named Executive Officers, to acquire Shares at an exercise price equal to the Market Price of such Shares under option at the date the option is granted. The objective of granting options is to encourage directors and executives to acquire an ownership interest in the Corporation over a period of time, which acts as a financial incentive for such persons to consider the Corporation's long-term interests and those of the Shareholders.

Hedging and Compensation Risk

The Named Executive Officers and directors of the Corporation are not formally prohibited from purchasing financial instruments designed to hedge or offset a decrease in the market value of Shares, including Shares granted as or underlying Share-based compensation or otherwise held directly or indirectly by a Named Executive Officer or a director.

In light of the Corporation's arrangement with the Corporation Manager, the board of directors does not believe it to be necessary to formally consider the implications of the risks associated with the Corporation's compensation policies and practices.

Pension Plan Benefits

The Corporation does not have a pension plan and does not provide any pension plan benefits.

Termination and Change of Control Benefits

The JV Agreement provides that upon the agreement being terminated by the Corporation other than for cause (including, without limitation, if the Corporation's activities are not carried on in the normal course consistent with past practice or if the Corporation proposes to distribute its capital (other than ordinary distributions of capital which are consistent with past practice and that portion of the distributions, if any, in connection with the amortization of the Corporation's initial public offering costs) or upon a breach by the Corporation of the JV Agreement, the Corporation will be required to pay the Corporation Manager any amounts which would have been earned by the Corporation Manager under the JV Agreement for the duration of the term of the agreement (including notice periods), based on the amounts to which the Corporation Manager was entitled during the four most recently completed fully operational quarters immediately prior to the occurrence of the termination or breach. If the JV Agreement was terminated by the Corporation other than for cause as of December 31, 2021, it is estimated that the Corporation would be required to pay the Corporation Manager approximately \$45 million. In lieu of termination of the JV Agreement other than for cause as set out above, at the option of the Corporation Manager, it may cause the Corporation to acquire the JV Agreement for a purchase price equal to the amount that the Corporation Manager would have received had the agreement been terminated other than for cause. The Corporation Manager will have the option to take payments for the amounts payable on termination or breach in cash, interests in mortgages or any combination thereof, and to obtain a security interest in the Corporation's property and assets in respect of such obligations.

The Mortgage Banking Agreement provides that upon the agreement being terminated by the Corporation other than for cause or upon a breach by the Corporation of the agreement, the Corporation will be required to pay the Mortgage Banker an amount equal to a termination fee of approximately \$13 million, plus any other amounts which would have been earned by the Mortgage Banker under the agreement in respect of the then-remaining portion of the term of the agreement, which, as of the date of this Circular, is estimated to be approximately \$93 million.

STATEMENT OF GOVERNANCE PRACTICES

General

The Corporation's directors believe that sound governance practices are essential to the well-being of the Corporation and the Shareholders, and that these practices must be reviewed regularly to ensure that they are appropriate. The following describes the Corporation's governance practices with reference to National Policy 58-201 – *Corporate Governance Guidelines* and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (collectively, the "**Governance Guidelines**"), which are initiatives of the Canadian Securities Administrators.

The board of directors and management of the Corporation recognize that effective corporate governance practices are fundamental to the long-term success of the Corporation. Sound corporate governance contributes to Shareholder value through increased market confidence. In light of the Governance Guidelines and best practice standards in Canada, the board of directors and management have implemented a sophisticated set of governance policies and procedures and is committed to maintaining a high standard of corporate governance.

The following is a description of the Corporation's corporate governance practices.

Board of Directors

The board of directors has determined that eight of the twelve current directors are “independent” as such term is defined in the Governance Guidelines. The “independent” directors are Messrs. Bledin, Fischtein, Goldfarb, Heller, Oliver, Newbould, Ray and Shulman.

The non-independent directors are Mr. Dadouch, President and Chief Executive Officer of the Corporation and President of the Mortgage Banker and the Corporation Manager; Mr. Mair, Chief Operating Officer and Executive Vice-President of the Corporation, Chief Financial Officer and Senior Vice-President of the Corporation Manager and, Vice-President, Mortgage Banking of the Mortgage Banker; Mr. Warner, Senior Vice President, Mortgage Lending, of the Mortgage Banker; and Victoria Granovski, Internal Credit Manager and Secretary of the Corporation, and Senior Vice President, Credit and Equity Capital and Vice President of Mortgage Operations of the Mortgage Banker.

A majority of the directors of the Corporation are “independent”.

Independence of the Board

Due to the fact that the Chief Executive Officer, the Chief Operating Officer and Secretary are the only directors who are related to the Corporation, the board of directors believes that it is sufficiently independent from the management of the Corporation. The board of directors facilitates its exercise of independent judgment by appointing an independent director as the Chair of the board of directors. The Corporation has also appointed a Credit Manager, Victoria Granovski, who was appointed to the board of directors on November 13, 2017. In addition, the board and its committees meet annually without management present and have the ability to ask the directors who are related to the Corporation to leave any meeting in order to facilitate an open and candid discussion among the independent directors.

Chairman of the Board of Directors

The Chair of the board of directors, Mr. Goldfarb, is an “independent” director. Mr. Goldfarb’s responsibilities include:

- (i) attending and chairing meetings of the board of directors of the Corporation and Shareholders;
- (ii) providing direction with respect to the dates and frequencies of board meetings and related committee meetings and liaising with the Chief Executive Officer of the Corporation to prepare board meeting agendas;
- (iii) ensuring that the board understands the boundaries between board and management responsibilities; and
- (iv) ensuring that the board of directors carries out its responsibilities effectively, which will involve the board meeting on a regular basis without management present and may involve assigning responsibility for administering the board's relationship with management to a committee of the board.

Board and Audit Committee Meetings

The following table sets forth, for the fiscal year ended December 31, 2021, the number of board of directors and Audit Committee meetings held and attendance by directors who are proposed to be nominated for election at the Meeting:

The Board of Directors is actively involved in the approval process of the Corporation's investments. During fiscal year 2021, the approval of the Board of Directors was sought and obtained for the Corporation's 120 investments made in 2021. Under the investment and operating guidelines adopted by the Corporation, investments made by the Corporation with a total investment amount of between \$1 million to \$2 million require the approval of one independent director, and investments made by the Corporation with a total investment amount of over \$2 million require the approval of three independent directors.

Further, the alignment of the interests of the Corporation and its board of directors is demonstrated by the fact that certain directors (and senior management) and their related entities also invested side by side and *pari passu* as participants in various investment opportunities that the Corporation participated in. As at December 31, 2021, certain members of the Corporation's board of directors and senior management and their related entities so invested an aggregate amount of approximately \$65 million.

Board Mandate

The board of directors has adopted a written mandate (the "**Mandate of the Board of Directors**") to confirm and enhance the board of directors' ongoing duties and responsibility for stewardship of the Corporation. A copy of the Mandate of the Board of Directors is attached to this Circular as Schedule "A". The directors have assumed responsibility for the stewardship of the Corporation and have been granted the necessary powers to carry out their responsibilities. The directors' responsibilities include: (a) the development and adoption of the Corporation's strategic planning process; (b) the identification of the principal risks associated with the business, and the implementation of appropriate systems to manage these risks; and (c) the appointment and evaluation of senior management.

Position Descriptions

The board of directors, together with the Chief Executive Officer, has developed position descriptions for the Chair of the board of directors, the Chair of each of the Investment Committee and the Audit Committee, and the Chief Executive Officer of the Corporation. These position descriptions are disclosed in the Mandate of the Board of Directors, which is attached to this Circular as Schedule “A”.

Orientation and Continuing Education

New board members are provided with materials to educate them on the Corporation and its business, as well as their responsibilities as directors. This practice is consistent with the Governance Guidelines and enables a new director to better understand the Corporation and his or her role and responsibilities. The Corporation requires that at least 75% of the directors must have had at least 10 years of substantial experience in the real estate and/or mortgage industries. Currently, greater than 75% of the directors have over 10 years of substantial experience in the real estate and/or mortgage industries. Such experience and continued involvement in the real estate and/or mortgage industries allows the directors to make meaningful contributions to the Corporation. The directors do not believe that a formalized continuing education program is required at this time, given the continuing extensive industry experience of each of the directors.

Code of Business Conduct and Ethics

The Corporation has adopted a Code of Business Conduct and Ethics (the “Code”) that sets out the basic principles to guide the behaviour of directors, officers and employees of the Corporation. The Code addresses the following issues:

- (a) compliance with laws, rules and regulations;
- (b) conflicts of interest, including transactions and agreements in respect of which a director or executive officer has a material interest;
- (c) confidential information;
- (d) personal opportunities discovered through the use of corporate property, information or positions without the consent of the board of directors;
- (e) protection and proper use of the Corporation’s assets;
- (f) fair dealing with persons with whom the Corporation has a business relationship;
- (g) gifts and entertainment and payments to government personnel;
- (h) discrimination and harassment;
- (i) health and safety;
- (j) accuracy of records and reporting; and
- (k) reporting of any illegal or unethical behaviour.

A copy of the Code is available under the Corporation’s profile on the SEDAR website at www.sedar.com.

Monitoring of accounting, internal controls and auditing matters, as well as violations of the law, the Code and other policies or directives, occurs through the reporting of complaints and concerns using the reporting methods provided for in the Code. The board monitors compliance with the Code by making enquiries of the appropriate parties at each meeting. Any person can report complaints or concerns, on an anonymous basis if desired, by reporting to the Chair of the Audit Committee by email, phone or fax.

The board of directors (or a committee of the board of directors to whom that authority has been delegated) can grant waivers of compliance with the Code for the benefit of directors or executive officers in appropriate circumstances. No such waiver has been granted since the adoption of the Code and consequently, the Corporation filed no material change report during the last fiscal year pertaining to any conduct of a director or executive officer that constituted a departure from the Code.

To ensure that directors or executive officers exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest, the director or officer of the Corporation, as the case may be, is required to disclose in writing to the directors or request to have entered into the minutes of

meetings of the directors or the Investment Committee, as the case may be, the nature and extent of such interest, as follows:

- (a) The disclosure required in the case of a director must be made:
 - (i) at the meeting of directors or the Investment Committee, as the case may be, at which a proposed contract or transaction is first considered;
 - (ii) if the director was not then interested in a proposed contract or transaction, at the first such meeting after he becomes so interested;
 - (iii) if the director becomes interested after a contract is made or a transaction is entered into, at the first meeting after he becomes so interested; or
 - (iv) if a person who is interested in a contract or transaction later becomes a director, at the first such meeting after he becomes a director.
- (b) The disclosure required in the case of an officer of the Corporation who is not a director must be made:
 - (i) forthwith after such person becomes aware that the contract or transaction or proposed contract or transaction is to be considered or has been considered at a meeting of the directors or the Investment Committee;
 - (ii) if such person becomes interested after a contract is made or transaction entered into, forthwith after such person becomes aware that he has become so interested; or
 - (iii) if a person who is interested in a contract or a transaction later becomes an officer of the Corporation, forthwith after he becomes an officer of the Corporation.

A director may not vote on any resolution to approve the said contract or transaction in which he or she is interested unless the contract or transaction is one relating primarily to his remuneration as a director, or one for indemnity or the purchase of liability insurance.

Nomination of Directors

The Corporation does not currently have a nominating committee. Pursuant to the JV Agreement, the Corporation Manager may recommend suitable individuals for nomination as directors. In order to ensure objectivity in the nomination process, the independent directors of the Corporation review and approve any nominations proposed by the Corporation Manager.

Compensation

The Corporation does not currently have a compensation committee. As a result of the Corporation's arrangements with the Corporation Manager, the Corporation does not employ any individuals (and has no employment contracts with any individuals) other than its Credit Manager, Victoria Granovski, and thus the directors have determined that there is no need for a separate compensation committee. The compensation of the Corporation Manager is determined based on the provisions of the JV Agreement, which can only be amended with the approval of Shareholders.

The directors are responsible for implementing a process for reviewing the adequacy and form of compensation of directors and ensuring that compensation realistically reflects the responsibilities and risk involved in being a director. The Corporation requires that remuneration be at a level that will attract and motivate competent directors. Compensation is also based on the compensation of directors of similarly situated issuers. In order to ensure an objective process for determining compensation, the directors, through the Corporation Manager, review compensation paid to directors of various real estate investment trusts and other publicly traded companies.

Audit Committee

Information concerning, among other things, the composition of the Audit Committee and the Audit Committee's Charter, can be found in the "Directors and Officers – Audit Committee" and "Directors and Officers – Audit Services" sections of the Corporation's most recently filed Annual Information Form, available under the Corporation's profile on the SEDAR website at www.sedar.com.

Investment Committee

The Corporation's Investment Committee is composed of all of the independent directors of the Corporation. The Investment Committee is responsible for the following:

- (a) reviewing all of the Corporation's investments on at least an annual basis;
- (b) adjudicating and advising on transactions involving potential conflicts of interest or any other transactions which may be detrimental to the interests of the Shareholders;
- (c) the approval or rejection of investments and acquisitions of investments; and
- (d) dealing with such other matters as may be referred to the Investment Committee by the directors.

The Corporation shall obtain approval for its investments from the independent directors, as follows: (i) investments with a total investment amount of under \$1 million, no independent directors; (ii) investment amounts with a total investment amount of between \$1 million to \$2 million, one independent director; and (iii) investments with a total investment amount of over \$2 million, three independent directors.

The Chair of the Investment Committee, Stanley Goldfarb, is also the Chair of the board of directors and the Audit Committee.

Assessments

The board of directors is responsible for implementing a process for assessing the effectiveness of the board as a whole, the committees of the board and the contributions of individual directors. In carrying out its responsibilities, the board of directors is required to periodically review the mandates of the directors and the board's committees and to make an assessment of the effectiveness of the directors. The directors have determined that the present number of directors is appropriate for the board to function at this time and that the board is properly constituted to reflect the investment of all Shareholders in the Corporation. On an ongoing basis, the directors review the size and composition of the board.

Shareholder Communication

The Corporation has adopted a written Disclosure Policy. The Disclosure Policy reflects the basic principle of securities regulation that all persons investing in securities should have equal access to information that may affect their investment decisions. The Disclosure Policy establishes the Corporation's procedure for determining how material information is to be disclosed or disseminated and promotes consistent disclosure practices aimed at informative, timely and broadly disseminated disclosure of material information to the market in accordance with all applicable legal, regulatory and stock exchange requirements.

The Disclosure Policy also deals with how the Corporation and its directors and employees handle material undisclosed information about the Corporation. It addresses the Corporation's formal disclosure requirements such as annual and quarterly reports, prospectuses and news releases, and information that the Corporation posts on its website. It also extends to oral communications, such as speeches by senior management, responses to media inquiries and statements made in meetings with analysts and investors, all of which must comply with the Disclosure Policy.

Board's Expectations of Management

The board of directors expects management to operate the Corporation in accordance with the investment restrictions and operating policies, and to enhance Shareholder value while managing the Corporation in a prudent

manner. Management is expected to provide regular financial and operating reports to the board of directors and to make the board of directors aware of all important issues and major developments, particularly those which may not have been previously anticipated. Management is also expected to find opportunities for acquisitions and dispositions and to make appropriate recommendations to the board of directors.

Director Term Limits and Other Mechanisms of Board Renewal

The board of directors believes that the need to have highly experienced directors who: (i) are familiar with the business of the Corporation; (ii) possess highly developed specialized skill sets in real estate, finance, taxation, mortgage underwriting analysis and accounting; and (iii) are knowledgeable about the Corporation as a whole takes precedent when assessing management and its recommendations. As such, the board of directors has not adopted director term limits or other mechanisms of board renewal for the following reasons:

- (i) after considering the director profile at the Corporation, the board of directors determined that a term limit was not appropriate in the context of the Corporation. The Corporation invests in mortgages secured by all types of residential and commercial real property, subject to compliance with our investment policies. As such, this form of investment activity requires highly developed and specialized skill sets in real estate, finance, taxation, mortgage underwriting analysis and accounting;
- (ii) the Corporation has found that having long standing directors on its board of directors does not negatively impact its effectiveness, and instead positively contributes to boardroom dynamics. As such, the Corporation has for many years enjoyed a consistently engaged board of directors. This is reflective in the consistent returns the Corporation has delivered to Shareholders since the initial public offering of its predecessor in 1999 in the form of dividends and capital appreciation. See “Share Performance Graph”;
- (iii) the imposition of director term limits on a board of directors implicitly discounts the value of experience and continuity amongst members of the board of directors and runs the risk of excluding experienced and potentially valuable members of the board of directors as a result of an arbitrary determination;
- (iv) that directors with the level of understanding of the issuer’s business, history and culture acquired through long service on the board of directors provide additional value;
- (v) that term limits run the risk of acting as a substitute for proper board self-assessment and renewal and undermines Shareholders’ voting rights to select their board of directors; and
- (vi) there is little empirical evidence that a director’s ability to act independently of management declines after any specific period of service.

Policies Regarding the Representation of Members of Designated Groups on the Board of Directors

A requirement to disclose diversity with respect to “designated groups” (“**Designated Groups**”) is required under the *Canada Business Corporations Act*, which governs the Corporation. As defined under Section 3 of the *Employment Equity Act* (Canada), Designated Groups includes women, Aboriginal peoples, persons with disabilities and members of visible minorities.

The Corporation has not adopted a written policy relating to the identification and nomination of members of Designated Groups for directors to the Corporation. The Corporation has not adopted such a policy, written or otherwise, because the board of directors does not consider diversity of race, ethnicity, gender, age, abilities/disabilities and cultural background as requirements to be a director of the Corporation. When vacancies on the board of directors arise, the Corporation focuses on nominating directors with highly developed and specialized skill sets in real estate, finance, mortgage underwriting analysis and accounting, regardless of whether they are a member of a Designated Group. These requirements are necessary to ensure that the Corporation continue to deliver consistent returns to Shareholders as it has since the initial public offering of its predecessor in 1999, and no written policy relating to the identification and nomination of members of Designated Groups for directors to the Corporation will ensure this outcome. As at May 10, 2022, the Corporation had one female board member.

Consideration of the Representation of Members of Designated Groups in the Director Identification and Selection Process

In identifying and nominating candidates for election or re-election to the board of directors, the directors of the Corporation do not consider the level of representation of members of Designated Groups on the board of directors. The Corporation does not consider the level of representation of members of Designated Groups on the board of directors because in considering individuals as potential directors, the Corporation at all times seeks the most qualified persons, regardless of their race, ethnicity, gender, age, abilities/disabilities and cultural background. The Corporation believes that this approach enables it to make decisions regarding the composition of the board of directors based on what is in the best interests of the Corporation and its Shareholders. During the year ending December 31, 2021, the Corporation had one female board member.

Consideration of the Representation of Members of Designated Groups in Senior Management Appointments

In appointing individuals to the senior management team, the Corporation does not consider the level of representation of members of Designated Groups in senior management positions. The Corporation does not consider the level of representation of members of Designated Groups in senior management positions because, in considering individuals as members of senior management, the Corporation at all times seeks the most qualified persons, regardless of their race, ethnicity, gender, age, abilities/disabilities and cultural background. The Corporation believes that this approach enables it to make decisions regarding the composition of the senior management team based on what is in the best interests of the Corporation and its Shareholders. As at December 31, 2021, the Corporation had one employee, the Internal Credit Manager, which one employee is female and a member of senior management and the board of directors of the Corporation.

Targets Regarding the Representation of Members of Designated Groups on the Board and in Senior Management Positions

The Corporation has not adopted a target or percentage, or a range of target numbers or percentages, regarding the members of each group comprising the Designated Groups on the Corporation's board of directors. The Corporation has not adopted a target or percentage, or a range of target numbers or percentages, for members of each group comprising the Designated Groups on the board of directors because the Corporation does not believe that any director nominee should be chosen nor excluded solely because of their race, ethnicity, gender, age, abilities/disabilities and cultural background. When vacancies on the board of directors arise, the Corporation focuses on nominating directors with highly developed specialized skill sets in real estate, finance, mortgage underwriting analysis and accounting, regardless of their race, ethnicity, gender, age, abilities/disabilities and cultural background. These requirements are necessary to ensure that the Corporation continues to deliver consistent returns to Shareholders as it has since the initial public offering of its predecessor in 1999, and no adoption of a target or percentage, or a range of target numbers or percentages, relating to the representation of members of each group comprising the Designated Groups on the board of directors of the Corporation will ensure this outcome.

The Corporation has not adopted a target or percentage, or a range of target numbers or percentages, regarding the members of each group comprising the Designated Groups in senior management positions. The Corporation has not adopted a target or percentage, or a range of target numbers or percentages, for members of each group comprising the Designated Groups in senior management positions because the Corporation does not believe that any candidate for a senior management position should be chosen nor excluded having any regard to their race, ethnicity, gender, age, abilities/disabilities and cultural background. In selecting senior management candidates, the Corporation considers the skills, expertise and background that would complement the existing management team. As at December 31, 2021, the Corporation had one employee, the Internal Credit Manager, which one employee is female and a member of senior management and the board of directors of the Corporation. In general, senior management personnel are recruited solely based on their ability to contribute to the Corporation having regard to the relevant senior management position.

Number of Members of Designated Groups on the Board and in Senior Management Positions

As of the date of this Circular, one woman is a member of the Corporation's board of directors (8.3% of the board of directors) and one women serves in a senior management position with the Corporation, the Corporation Manager and the Mortgage Banker (20% of the collective senior management personnel of the Corporation, the

- (e) In determining options to be granted to Participants, the Board shall give due consideration to the value of each such Participant’s present and potential contribution to the success of the Corporation.
- (f) Any option granted under the 2010 Plan shall be subject to the requirement that, if at any time FCMIC shall determine that the listing, registration or qualification of the Common Shares subject to such option, or such option itself, upon any securities exchange or under any law or regulation of any jurisdiction, or the consent or approval of any securities exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant or exercise of such option or the issuance or purchase of Common Shares thereunder, such option may not be granted, accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. For certainty, it is expressly stated that FCMIC may only grant options, and issue Common Shares on exercise thereof, to Participants resident in jurisdictions in Canada where NI 45-106 has been complied with. However, nothing herein shall be deemed or construed to require FCMIC to apply for or to obtain such listing, registration, qualification, consent or approval.
- (g) The Board shall complete and file, in accordance with applicable law, or shall cause to be completed and filed, all notices, reports, filings or other documentation required by applicable law, regulatory requirement or stock exchange rule, in connection with a grant of options or an issuance or purchase of Common Shares thereunder.

6. PRICE

- (a) The option exercise price per Common Share that is subject of any option shall be fixed by the Board when such option is granted.
- (b) The option exercise price per Common Shares shall not be less than the market price.

- (c) The Board shall not set the exercise price of any option on the basis of a market price which does not reflect material information of which the directors and officers of the Corporation are aware but which has not been generally disclosed to the public.
- (d) The option price per share will be expressed in Canadian dollars.

7. PERIOD OF OPTION AND RIGHTS TO EXERCISE

- (a) Subject to the provisions of this section 7 and sections 8 and 9, options will be exercisable in whole or in part, and from time to time, at any time following the date of grant and prior to the expiry of their term, but provided that if an option expires during a black-out period, then the option shall remain exercisable until the period ending up to two trading days after the end of such black-out period, notwithstanding the natural expiry of its term, except that in no event may such exercise occur more than ten years after the initial grant date of the option.
- (b) Options shall not be granted for a term exceeding ten years.
- (c) Subject to the Board's sole discretion in modifying the vesting of options, from time to time, options granted shall vest, and become exercisable, upon and subject to such terms, conditions and limitations as contained herein and otherwise as the Board may from time to time determine with respect to each option.
- (d) The Common Shares to be purchased upon each exercise of an option shall be paid for in full by the Participant at the time of exercise.
- (e) Except as provided in sections 8 and 9, no option which is held by a Participant may be exercised unless the Participant is then an eligible participant of, or to, the Corporation, and in the case of an employee, the employee has been continually employed by the Corporation since the date of the grant of the option, but provided that an authorized absence of leave shall not be considered an interruption of employment for purposes of the 2010 Plan.

8. CESSATION OF PROVISION OF SERVICES

- (a) **Death of Participant.** In the event of the death of a Participant during the term of the Participant's option, the option theretofore granted to the Participant shall be exercisable within, but only within, the period of one year next succeeding the Participant's death, and in no event after the expiry date of the option. Before expiry of an option under this section 8(a), the Board shall notify the Participant's representative in writing of such expiry no less than twenty (20) days prior to its expiry.
- (b) **Termination of Employment or Office.** Subject to the discretion of the Board to determine otherwise, and this section 8, if any Participant shall cease to be an eligible participant of, or to, the Corporation, for any reason, other than for cause or death, he or she may exercise any option issued under the 2010 Plan that is then exercisable, but only within the period that is three (3) months from the date that he or she ceases to be an eligible participant of, or to, the Corporation.

Before expiry of an option under this section 8(b), the Board shall notify the former Participant in writing of such expiry no less than five (5) days prior to its expiry. In the event that an eligible participant ceases to be an eligible participant of, or to, the Corporation because of termination for cause, the options of the Participant not exercised at such time shall immediately be cancelled on the date of such termination and be of no further force or effect whatsoever notwithstanding anything to the contrary in the 2010 Plan.

- (c) **Other.** If any Participant shall cease to be an eligible participant of, or to, the Corporation for any reason other than provided for in this section 8, the options of the Participant not exercised at such time shall immediately be cancelled and be of no further force or effect whatsoever.

9. EXTENSION OF OPTION

In addition to the provisions of section 8, the Board may extend the period of time within which an option held by a deceased Participant may be exercised or within which an option may be exercised by a Participant who has ceased to be an eligible participant of, or to, the Corporation, but such an extension shall not be granted beyond the original expiry date of the option. Any extensions of options granted under the 2010 Plan are subject to any applicable regulatory or stock exchange approvals required at such time.

10. NON-TRANSFERABILITY OF OPTION

Subject to applicable law, no option granted under the 2010 Plan shall be assignable or transferable otherwise than:

- (a) by will or by the laws of descent and distribution, and such option shall be exercisable, during a Participant's lifetime, only by the Participant (subject to section 8(a)); or
- (b) to a Participant's registered retirement savings plan ("RRSP") or registered retirement income fund ("RRIF"), provided that the Participant is, during the Participant's lifetime, the sole beneficiary of the RRSP or RRIF.

11. AMENDMENT AND TERMINATION OF THE 2010 PLAN

- (a) Subject to section 11(b), the Board may at any time, and from time to time, and without shareholder approval, amend any provision or terminate the 2010 Plan, subject to any regulatory or stock exchange requirement at the time of such amendment or termination, including, without limitation:
 - (i) amendments related to the vesting provision of section 7(c);
 - (ii) amendments to the termination provisions of section 8;
 - (iii) amendments to provide for any form of financial assistance by the Corporation for the acquisition of Common Shares by a Participant;
 - (iv) amendments necessary or advisable because of any change in application securities laws;
 - (v) amendments to section 3 relating to the administration of the 2010 Plan;
 - (vi) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or the rules of the TSX, including amendments of a "clerical" or "housekeeping" nature.
- (b) Notwithstanding section 11(a) the Board shall not be permitted to amend:
 - (i) section 4(a) in order to increase the maximum number of Common Shares which may be issued under this 2010 Plan or change the percentage;
 - (ii) section 4(b) in order to remove or exceed the insider participation limits;
 - (iii) section 6 in any manner;
 - (iv) section 11 in any manner;
 - (v) the definition of "eligible participant";
 - (vi) amendments to the transferability of options provided for in section 10;

- (vii) the exercise price of any option issued under this 2010 Plan where such amendment reduces the exercise price of such option; or
- (viii) the term of any option issued under this 2010 Plan where such amendment extends the term of such option (but provided in all cases that any such extension shall not exceed the term provided for in section 7(b));

in each case without first having obtained the approval of a majority of the holders of Common Shares voting at a duly called and held meeting of holders of Common Shares (excluding votes held by any insider benefiting from the proposed amendment).

- (c) Any amendment or termination shall not alter the terms or conditions of any option or impair any right of any optionholder pursuant to any option granted prior to such amendment or termination.
- (d) Notwithstanding the foregoing, the 2010 Plan will automatically terminate when, and if, any of the authorizations required to authorize the 2010 Plan shall cease.

12. EVIDENCE OF OPTIONS

Following the grant of an option in accordance with the 2010 Plan, FCMIC shall forward to such Participant, a Notice of Grant (the “**Notice**”) substantially in the form attached hereto as Schedule “A”, which Notice shall evidence the grant of the option under the 2010 Plan. FCMIC shall also forward to the Participant, in addition to the Notice, a copy of this 2010 Plan (on the first grant of an option) and any other documentation that may be required by applicable law, stock exchange or regulatory requirements.

13. EXERCISE OF OPTION

- (a) An option may be exercised from time to time by delivering to FCMIC at its head or registered office, a written notice of exercise specifying the number of Common Shares with respect to which the option is being exercised and accompanied by payment for the full amount of the purchase price of the Common Shares then being purchased.
- (b) Upon receipt of a certificate of an authorized officer directing the issue of Common Shares purchased under the 2010 Plan, the transfer agent of FCMIC is authorized and directed to issue and countersign share certificates for the purchased Common Shares in the name of the Participant or the Participant’s legal personal representative or as may otherwise be directed in writing by the Participant, including into a book-entry system, if requested.
- (c) Notwithstanding section 5(f), FCMIC shall not, upon the exercise of any option, be required to register, issue or deliver any Common Shares prior to: (a) the listing of such Common Shares on any stock exchange on which the Common Shares may then be listed; and (b) the completion of such registration or other qualification of such Common Shares under any law, rules or regulation as FCMIC shall determine to be necessary or advisable (including, without limitation, NI 45-106). If any Common Shares cannot be registered, issued or delivered to any Participant for whatever reason, the obligation of FCMIC to issue such Common Shares shall terminate and any option exercise price paid to FCMIC shall be returned to the Participant without deduction or interest.

14. ADJUSTMENTS IN SHARES SUBJECT TO THE 2010 PLAN

- (a) Subject to this section 14, the aggregate number and kind of shares or other securities available or issuable under the 2010 Plan shall be appropriately and equitably adjusted in the event of an arrangement, reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares or other securities of FCMIC. The options granted under the 2010 Plan may contain such provisions

as the Board may determine with respect to adjustments to be made in the number and kind of shares covered by such options and in the option price in the event of any such change.

- (b) If at any time when an option granted under this 2010 Plan remains unexercised with respect to any Common Shares and:
- (i) a *bona fide* offer to purchase all of the issued Common Shares of FCMIC is made by a third party;
 - (ii) FCMIC proposes to sell all or substantially all of its assets and undertaking;
 - (iii) FCMIC proposes to merge, amalgamate or be absorbed by or into any other corporation or entity (save and except for a subsidiary) under any circumstances which involve or may involve or require the liquidation of FCMIC, a distribution of its assets among its shareholders, or the termination of the corporate existence of FCMIC; or
 - (iv) FCMIC proposes an arrangement as a result of which all of the outstanding shares of FCMIC would be acquired by a third party;

then FCMIC shall use its best efforts to bring such offer or proposal to the attention of the Participants as soon as practicable and (x) an option granted under this 2010 Plan may be exercised (whether or not such option has vested), as to all or any of the optioned Common Shares in respect of which such option has not previously been exercised, by the optionee at any time up to and including (but not after) a date sixty (60) days following the date of the completion of such transaction or prior to the close of business on the expiry date of the option, whichever is the earlier, or, if a longer period is provided for in a written agreement between a Participant and FCMIC, the period provided for in the employment agreement shall apply provided in all cases that any such period does not exceed one (1) year; and (xi) FCMIC may, by Board resolution, require the acceleration of the time for the exercise of the said option and of the time for the fulfillment of any conditions or restrictions on such exercise, and all such changes shall be final and binding on all options granted to Participants under the 2010 Plan.

15. RIGHTS PRIOR TO EXERCISE

A Participant shall have no rights whatsoever as a shareholder in respect of any Common Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Common Shares in respect of which the Participant shall have exercised the option to purchase hereunder and which the Participant shall have actually taken up and paid for in full. For greater certainty a holder of an option under this 2010 Plan shall not be permitted to vote on any arrangement of the Corporation proposed to the holders of Common Shares of FCMIC.

16. TAX WITHHOLDINGS

Notwithstanding any other provision contained herein, in connection with the exercise of an option by a Participant from time to time, as a condition to such exercise (i) the Corporation shall require such Participant to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions (the “**Applicable Withholdings and Deductions**”) relating to the exercise of such options; or (ii) in the event a Participant does not pay the amount specified in (i), the Corporation shall be permitted to engage a broker or other agent, at the risk and expense of the Participant, to sell an amount of underlying Common Shares issuable on the exercise of such option through the facilities of the TSX, and to apply the cash received on the sale of such underlying Common Shares as necessary so as to ensure that the Corporation is in compliance with the Applicable Withholdings and Deductions relating to the exercise of such options. In addition, the Corporation shall be entitled to withhold from any amount payable to a Participant, either under this 2010 Plan or otherwise, such amount as may be necessary so as to ensure that the Corporation is in compliance with Applicable Withholdings and Deductions relating to the exercise of such options.

17. NO CONTINUED SERVICE

The granting of an option to an eligible participant under the 2010 Plan shall not impose upon the Corporation any obligation whatsoever to retain the eligible participant as a service provider of the Corporation.

18. GOVERNING LAW

This 2010 Plan shall be construed in accordance with and be governed by the laws of the Province of Ontario.

19. EXPIRY OF OPTION

On the expiry date of any option granted under the 2010 Plan, and subject to any extension of such expiry date permitted in accordance with the 2010 Plan, such option shall forthwith expire and terminate and be of no further force or effect whatsoever, or as to the Common Shares in respect of which the option has not been exercised.
