STRATEGIC REVIEW

On November 15, 2022, the Board of Trustees initiated a strategic review process to identify, evaluate and pursue a range of strategic alternatives with the goal of maximizing unitholder value (the “**Strategic Review**”).

By way of update, the Board is pleased to report on the following:

- **WHOLLY OWNED ASSET DISPOSITIONS:** The Trust has listed for sale its entire Wholly Owned Real Estate Investments and is pleased to report on the following:
 - **Texas:** As previously announced, the Trust completed the sale of one of its properties located in Austin, Texas for \$12.6 million. Net of associated mortgage debt and closing costs, the net sale proceeds of approximately \$8.8 million were used to pay off additional debt including, but not limited to, the mortgage associated with the Trust’s other property located in Austin, Texas; bank indebtedness and the vast majority of the \$5.1 million (CAD\$6.9 million) Bridge Loan. In addition, the Trust has an unencumbered property located in Austin, Texas under contract for sale. The net sale proceeds will be used to pay the remainder of the \$0.9 million (CAD\$1.2 million) Bridge Loan and for working capital purposes. This sale is expected to close during Q3/2023. Both properties have/had sales prices in line with their respective IFRS values. In addition, the Trust has two properties located in Houston, Texas that are actively being marketed;
 - **New Jersey:** The Trust has a sale in place for its sole property located in New Jersey. The expected closing of the sale is anticipated to be during Q3/2023. The property disposition has a sales price in line with its IFRS value; and
 - **Florida:** The Trust’s property in Florida is under negotiations to be sold.
- **JOINT VENTURE ASSET DISPOSITIONS:** The Trust has listed for sale its Joint Venture Real Estate Investments located in Maryland as both the Trust and its partners have decided it was an appropriate time to exit the respective investments. As of today, one of the Maryland properties is under negotiations and one is being actively marketed. In terms of the remaining joint venture properties located in New York, Connecticut and Georgia, the Trust has decided with its partners to hold these investments until such time as the value of the respective investments can be maximized.

- **PREFERRED CAPITAL INVESTMENTS:** As at June 30, 2023, the Trust has two Preferred Capital Investments located in Texas and South Dakota that aggregate approximately \$5.1 million. The Trust continues to hold these investments and earns income at 10% and 12%, respectively. Both investments are current in terms of their interest payments.

The Board will continue to assess matters on a quarterly basis and determine if the Trust should: (i) distribute excess income; (ii) distribute net proceeds from asset sales, after debt repayment; (iii) reinvest net proceeds into other investments; (iv) distribute proceeds as a return of capital or special distribution; and/or (v) use excess proceeds to repurchase Trust units in the marketplace. It is the Trust's current intention not to disclose developments with respect to the Strategic Review unless and until it is determined that disclosure is necessary or appropriate, or as required under applicable securities laws.
